BUHURT LEAGUE

TABARDS REQUIREMENTS

According new regulations, all fighters at Buhurt League tournaments must wear team's tabards. This guide is made to clarify which tabards are acceptable. Fighters in different tabard or without one will not be allowed to participate in a tournament. Organizers may request to change this rule. In this case, fighters with different/without team's tabard will be defined as non-registered fighter of their team. Such team will not get Buhurt League points.
